STABBING AFFRAY AT NIANTIC.

Edward Capps Cut in the Left Breast by Charles Dingman.

There was a serious stabbing affray at the rear of Van Cleave's store, at Niantic, at 10:30 o'clock Saturday night, the victim being Edward Capps, son of Michael Capps, aged 19. The assailant was Charles Dingman, son of William Dingman, the blacksmith, who is about 20 years of age. It seems that for some time ill-feeling has existed between Ed. and Charles, growing out of some experience with a young lady at a party, there being a feeling of jealousy connected with grudge. The young men met in the store, and had some words, both going out the rear door to settle the dispute. In the fight Capps was stabbed in the left breast, two inches below the heart, the cut being 1 1/2 inches deep. Dingman used a pocketknife and might have killed Capps outright had not the blade caught in his left breast pocket. Dr. Knapp attended Capps and gave him necessary treatment. The wound is considered serious but not necessarily fatal.

The father of young Capps swore out a State warrant for the arrest of Dingman, who was put under \$800 bonds. The preliminary examination is in progress before Justice John Cassell, at Niantic, with F. W. Clark, of Decatur, and Jesse Lockhart, of Niantic, as attorneys for the defendants. The trial attracts a large crowd of spectators.

July Weddings.
With the thermometer 120 in the sun, Squire Curtis had two marriages at his office this forenoon and plenty of witnesses.

The first couple made happy were Henry F. Smith, of Brown county, Indiana, and Miss Josephine Strickland, of South Macon township. Both are young people, who left the office looking arms.

Shortly afterward Abraham Grabill, a retired farmer of Cerro Gordo, aged 67, and Miss Mary Straw, of Sangamon Station, aged 33, presented themselves before the Squire, and they were quickly linked together in the most approved style.

Death of Mrs. Charles Rea.

Mrs. Sarah Rea, wife of Charles Rea, an employe at the Chambers, Boring & Quinlan works, died of malarial fever this morning at 8 o'clock at the family residence, No. 285 East Edmund street.

On July 9th she gave premature birth to a child, caused by injuries received on the old square on the night of July 5th, when the fireworks exploded. Mrs. Rea was injured on the limbs and knocked down and stepped on by the rushing crowd. It was thought the next day that her injuries would prove fatal, as she was in a delicate condition. Mrs. Rea is the second victim of the unfortunate fireworks explosion, the first being little Bert Hamsher. Her age was 28. She was the mother of four children.

The funeral will take place from the residence at 2 o'clock to-morrow afternoon.

Bold Robbery.
Saturday evening George F. Gillman went to Warrensburg in his open buggy to make some purchases. He left his rig in the street, and when he returned from a store the outfit, with flour and side meat he had put in the buggy, was gone. No trace of the rig or thief could be found until Sunday morning, when a few miles west the flour and meat were discovered near a tree by the roadside. The missing animal is a roan mare 17 years old. The buggy is a good one.

LATER.—Marshall Adams captured the rig near Mt. Pulaski, Sunday night at 10 o'clock. It was found in possession of a young girl of 17, named Koonz, whose parents reside near Warrensburg. She gave no satisfactory explanation of her conduct.

FOUR weeks ago there was a splendid prospect for grapes in this section, but owing to the continued drouth the grapes are now withering on the vines in some of the vineyards and unless we have rain soon the crop will be short and of a poor quality. The apple crop is also suffering from the same cause.

REV. W. A. SMITH, pastor of North Street church, Danville, a schoolmate of Rev. Coultas, supplied the pulpit at the First M. E. church yesterday. He gave the First Church people two excellent discourses, and the attendance was large, considering the weather.

A BIG GOOSE-EGG FOR DANVILLE.
The Hoosier Club shot out in the Second Game—Good Playing.

The Decatur club got their pictures taken in a group at Piper's Saturday afternoon and then went to the Park, and before a crowd of 400 people shot out the Danville Browns, champions of Indiana, in a well-played game, the battery work of Mitchell and Callender, excellent fielding by Lauman, Burns and Metcalf, and brilliant stops by Carlin and Douthett on the infield, holding the Browns on bases where they were just within sight of the coveted home plate. Hits were nearly a stand-off. In the third inning the visitors got rattled in throwing, and a passed ball, with other errors let in five runs. It was in this inning that Keleher in stopping the ball hit by Douthett, and by trying to throw the runner out at first, fell and threw his right ankle out of joint. By a quick jerk the ankle was put in place but Keleher was so badly crippled that he had to give way to Cook, who, contrary to expectations did splendid work in the box. Three more runs were scored in the fourth and one on a series of errors in the seventh. Three times the Browns got a man on third base, but Mitchell's left-handed twirling and head put out the side with the clean work of the fielders, Lauman making a phenomenal running catch of Keleher's high fly in left center. The Browns took their defeat good-naturedly. They did some fine work, and again proved that Danville has the best amateur nine that has ever visited Decatur. All are Danville boys except Grim, whose home is at Indianapolis. Below is

THE Cairo club plays in Decatur on Wednesday afternoon at 2 o'clock. The visitors have seven professional players in their line.

Big Thompson played a good joke on Douthett at first, by juggling with the ball long enough to catch him napping. Clark was in the combination as coacher, and the laugh was on him, too.

Carlin, who is one of the surest throwers in the nine, did clever work at third, making wonderful pick-ups. He also got a hit and a run.

It is stated that the Sullivan and Arcole clubs will play a match game at the Decatur Park the latter part of this week for \$150 a side, to determine which town is entitled to the championship. Strong rivalry exists between the two clubs.

PEACE PLAY BALL IN ST. LOUIS AND WIN.

The Home Team Play Ball in St. Louis and Win.

Manager Morgan took the Decatur club to St. Louis Sunday, and at Anshur park in the afternoon, with Mr. Hunt, a St. Louis man, as umpire, defeated the saucy Peach Pie nine in as pretty a game as the St. Louis croneers have witnessed for many a day. The Peach Pie strengthened their club the best they possibly could, with King and Goodell as their battery, Falls on first and Drissell on second, Cook in right field. Decatur had Mitchell and Callender for battery, with Reising, Clark, Douthett, Carlin, Lauman, Burns and Smith for support. The Peach Pie were confident of scoring a victory, but Decatur was on her mettle and played a beautiful game, and but for errors by Mitchell, Douthett, Clark and Carlin, would have shut out the pie-eaters. They got but one hit off Mitchell, while Decatur pounded King beautifully. Decatur scored 9 runs and their opponents 3. Burn got a run, Reising 1, Lauman 1, Carlin 1, Callender 3, Douthett 1, and Smith 1. Decatur made but 4 errors, the Peach Pie 10, Mitchell having a wild pitch, and sending a man to base on called balls. There were about 1,000 people present, who cheered the Decatur team as they deserved. Below is the score:

By Innings..... 1 2 3 4 5 6 7 8 9
Decatur..... 2 1 0 0 0 0 0 0 0
Peach Pie..... 0 0 0 0 0 0 0 0 0

DURING the game, Reising made a phenomenal catch of a hard foul and brought down the house. When he got to the players' bench, Reising had a silver dollar thrown at him from the grand stand. Callender also got a hard foul, and flies were nipped by Burns, Carlin and Lauman, the latter having a hard run for his lucky put out.

Our boys, of course, are proud of their victory, and so is all Decatur. The only regret of the players is, that they did not shut out the Peach Pie.

THE SMOKEBOX.
The news of the victory of the Decatur club was received here at seven o'clock last evening, and immediately local admirers made up a fund to give the victors a fitting midnight reception on their return. Carriages were secured, as was also Goodman's band, and when the 12:15 train came in, the band struck up a lively tune on the depot platform, "Hail to the Chiefs," and every player was hustled about and congratulated in great style—Manager Morgan and Captain Lauman receiving the lion's share from the large and enthusiastic crowd. The three carriages and two street cars were crowded, and the party came up town, headed by the band. On the old square there were more congratulations, the band played three selections, and then the "Yellow-hammers" were taken around to Morgan's club rooms, where the team disbanded and went home for needed and well-earned rest.

The St. Louis papers must be a little jealous of Decatur, as they made but the following mention of the game:

The Decatur team played the Peach Pie at Anshur park yesterday afternoon. The game was a very interesting one, Decatur winning by a score of 9 to 3.—Globe-Democrat.

The Decatur defeated the Peach Pie yesterday at Anshur park by a score of 9 to 3.—St. Louis Republican.

We have received the initial number of The Decatur Y. M. C. A. Bulletin, which is to be published monthly in the interest of the Association. W. E. Mann, the General Secretary, is the editor. A Wonderful Affair.
To understand properly what an enormous show P. T. Barnum has organized this year, one must reflect upon the exhibition as last seen, when every one said it was entirely too large. As now constituted, the shows consist of 7 advertising cars in advance, upon each of which are 30 men, or 210 in all. There are over 24 advance agents of various kinds. With the shows are 800 people, and included in the latter are 300 performers. There are 28 tents, the largest 685 feet long and 350 feet wide; two of 300 feet each in length, and two of 200 feet. One of these is occupied as an elephant pavilion, containing a herd of elephants, clown elephants, and various animals in leash. There are stables containing 500 draught horses and 115 ponies, and over 100 performing horses, besides 32 camels, etc. There is a tent in which the museum is placed, with giants, midgits, skeletons, dwarfs, fat people, armless and legless people, bearded women, long-haired women, etc., and others containing the International Congress of Giants, representing every country on earth; the wonderful reproduction of Jumbo, the big ivory-boned skeleton; Alice, Jumbo's widow; a troupe of Arabs, the Miramba band. Another with three rings, elevated stage, and the great Roman hippodrome, with its gluttonous races, and so on. It requires 79 railroad cars to move all this material. The parade is a grand affair, and will represent \$1,500,000 worth of valuable objects, covering over a mile of ground, and will take place on August 3d, at 8 o'clock in the morning.
